Father Finds Three Daughters in Morgue
Pueblo Col., June 13.—John Kapes of Lime, Col., was notified late yesterday that a body of a 17-year-old girl, supposed to be that of his daughter, "Rose," had been brought to a local undertaking establishment and was being held pending positive identification.

W. Va. LINE GRANTED.
INCREASE IN FARE
(Continued from page one)

against the welfare of the people. "It is high time the government released the people of this country from the grasp of greedy profiteers and brought the profiteers to punishment. The people stood patiently for all kinds of gouging during the war in order that the government might not be embarrassed by their complaints but now in days of peace the people will not stand unscrupulous dealings much longer.

"What defense have the thousands of commuters against the decision of the commission in favor of the railroad company? The commission defends its action on the ground that the expenses of the company necessitates the increased fare, but the people have yet to be convinced that the facts brought out at the hearings were such as to justify the railroad in raising its rates.

"Shall the people ask congress to take away the charter of the railroad? If the railroad cannot operate on its present rates it should go out of business for the people are not able to pay higher rates, and nobody would ask or expect the railroad to operate at a loss.

"In case the proposed rates go in to effect what does the railroad propose to do for its employees? Surely, increased fares should increase the wages of the employees proportionately. Perhaps it would be well for the commuters to petition congress to investigate the decision of the interstate commerce commission to determine the real reason why the decision was made in favor of the railroad and against the people."

The game looked for Saturday, June 11th on North Alfred Street diamond between the Alexandria Torpedo Station Baseball Team and the Red Sox A. C. was forfeited by the Red Sox A. C. failing to appear on diamond at the designated time. This coming Saturday, June 18th the Alexandria Torpedo Station will play the Peerless A. C. of Washington. A good game can be expected. The battery for the A. T. S. are likely to be Hall and Johnson. The A. T. S. has the following schedule ahead of them. Saturday, June 25. Bolling Field at Anacostia; Saturday, June 2nd, Hartford A. C., at Alexandria; Saturday, July 3th with Rosebuds a local team composed mostly of old local ball players, Saturday, July 16 open and Saturday, July 23, Naval Hospital from Washington, D. C., at Alexandria. There have been no further arrangements made for games because we are waiting to hear from the Torpedo Station, R. I. After we hear from them and get date set we would like to play the Cardinal A. C. and also the big D's. Come on and be good baseball sports and play local teams as well as out of town teams. Show that you are the real baseball sport as you claim to be and give us a chance at you. I know you will have as much of a crowd if not a larger one by playing local teams. We're not after any money, we will play for the benefit of anything, say the Salvation Army who helped and fed service men when it was impossible for them to get help or feed anywhere else. The Salvation Army Ladies that fed them doughnuts during the war need our help now to help themselves. Come be a game sport and let's play baseball for a benefit and let's play that's in it. If we get beat we get beat, we are easy losers. If Saturday July 16th is OK we would like to hear from the manager of the D's this being the only open date before we hear from Newport, R. I. We know we haven't the reputation that you have but we are game. We will play any baseball team, with or without a reputation, we are in it for sport.

BUYS OLD HOUSE: FINDS 55 BOTTLES OF LIQUOR
Flushing, N. Y., June 13.—Frank Brossard, who recently purchased the Hicks homestead, one of the landmarks of this Long Island suburb, was convinced today that prohibition in America was anticipated years ago.

The Hicks house was built two centuries ago. Mr. Brossard had carpenters and painters renovating the building and they came upon a secret door in the wall. It sprang open, revealing 55 bottles of a brand of whisky that once was popular. Mr. Brossard was not sure whether he could be arrested for purchasing liquor.
